21<sup>st</sup> March, 2022

Dear Parents,

As part of our Blue Abyss topic, and linked to our Science Week learning, years 4, 5 and 6 will be visiting **Bristol Aquarium** on **Friday 1<sup>st</sup> April**.

We will take part in an educational workshop - **Save our Seas** - where the children will have the opportunity to observe aquatic creatures up close, and find out more about the positive and negative human impacts on the aquatic environment including marine pollution and the prevalent issue of plastics to coral bleaching and climate change.

To enable us to keep costs as low as possible our transport arrangements mean that we will need to leave Bristol at 1.30pm, so in order to maximise our time at the aquarium we will not stop for lunch but instead eat when we arrive back at school - your child will need a packed lunch for this day. We will, however, have chance for a break during the morning so please send your child with snacks to keep them going until our late lunch.

The cost of the trip will be **£11** to be paid by ParentPay.

Please return the online consent form by following the link [here](https://bit.ly/bristolaquariumtrip) ( <https://bit.ly/bristolaquariumtrip> ), or scanning the QR code below, by **Monday 28<sup>th</sup> March**.

If you are able to accompany us on the trip to support our adult:child ratios, please let your child's class teacher know as soon as possible.

Many Thanks,

Miss Powell, Mrs Cotton, Mrs Maunder and Mrs Phillips
